

I WISH I'D KNOWN...

Justine Cather started her career as a teacher but, inspired by her mother who made and sold sweets in a shop in Lyme Regis, she decided to make sweets, too. Justine and her husband now work for their own company, Burnt Sugar. 'If I could turn back the clock, I'd have started Burnt Sugar earlier, to give me more time before I had kids. My sons are four and seven, and I was answering the phone to customers the day I came home with my first baby. I work part-time now - I don't want to miss out on my boys.'
